

## Preservative -Treated Panels Limited Lifetime Warranty

### **GW Industries, Inc. Warrants to the Original Owner of Record:**

(For extended-life, preservative-treated panels installed by an approved original equipment manufacturer)

**A lifetime warranty against damage resulting from fungal decay or rot.**

**A lifetime warranty against damage caused by termites or other wood-eating insects.**

**A lifetime warranty against manufacturing defects when such damage or defect would make the panel structurally unfit for its intended application.**

### **GW Industries' Treated Plywood and Laminated Panels are:**

- ❖ **Guaranteed Against Manufacturing Defects**
- ❖ **Guaranteed for Life Against Delaminating**

## Warranty Limitations

### **GW Industries cannot be held responsible for:**

- ❖ Damage or associated damages caused by anything other than panel workmanship, fungal decay or rot, termites or other wood-eating insects.
- ❖ Inherent wood characteristics such as checking, leafing, splitting and broken grain.
- ❖ Damage caused by improper installation or the use of corrosive fasteners.

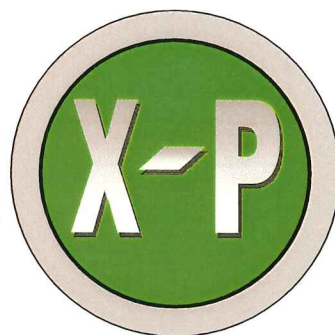

**This list is not intended to be comprehensive or all-inclusive.**

## How to Submit a Claim

**Contact GW Industries' Toll-free Customer Service: 866-504-9095**

1. To complete the claim, GW Industries requires the **original** purchase invoice with manufacturer's name, purchase date, and serial number

2. GW Industries will arrange to exchange the damaged panel with the original owner or manufacturer within sixty days of receiving the claim and original invoice.

3. For a period of ten years from the date of purchase, GW Industries compensates for expenses caused directly by the replacement of any defective panels. After ten years from date purchase, damaged panels will only be exchanged.

4. GW Industries retains the right to have its representative inspect all panels that are involved with any claim initiated under this warranty.

**This Limited Warranty is tendered for the sole benefit of the original Buyer.  
It is not transferable or assignable and may not be changed orally.**
